p

- a) In this nocturne we may distinguish four larger divisions, I, II, III, IV, which are related to each other, not like chief and secondary subjects for example, but rather like the strophes of a poem; for while they are indeed specifically different in point of contents, they serve nevertheless to express one and the same fundamental mood, viz; longing and grief. It is true that in Strophe II we seem to hear sounds of comfort and consolation, while in the more animated Strophe III it appears as if freshly budding hopes and more cheerful views of life would repress complaint. This strophe ends in whispers sweet and enchanting like music of the spheres; but then everything dies away, and the base — which swells and sinks warlike through all the strophes, framing them all precisely alike — introduces the return of strophe I. After a short, but passionate and energetic coda, the poem ends with a grateful final triad in major.
- b) c) At c the up-beat and first complete measure return in varied form. In performance it is advisable to cause at least the motive of the up-beat (b) to shimmer through in a delicate, discreet manner.
- d) In order most quickly to achieve the complete equalization of the 22 notes in the right hand, practise on the basis of the following grouping:

The musical score consists of six systems of staves, each with a treble and bass clef. The notation includes various musical symbols such as notes, rests, and ornaments.

- System 1:** The first staff has the instruction *legatissimo* written above it.
- System 2:** The second staff has the instruction *appassionato* written above it, followed by *cresc.* and *con forza* in the third measure, and *p* in the fourth measure.
- System 3:** The third staff has the instruction *Il sotto voce* written above it, followed by *pp* in the second measure and *simof.* in the third measure.
- System 4:** The fourth staff has the instruction *poco rallent.* written above it, followed by *ppp* in the second measure, *f* in the third measure, and *cresc.* in the fourth measure.
- System 5:** The fifth staff has the instruction *Tempo I.* written above it.
- System 6:** The sixth staff has the instruction *Tempo I.* written above it.

e-f) Somewhat agitated in delivery.

The musical score consists of six systems of staves, each with a treble and bass clef. The notation includes various musical symbols such as notes, rests, and dynamic markings.

- System 1:** Starts with a forte (*f*) dynamic and a tempo marking of *poco stretto*. It transitions to a fortissimo (*ff*) dynamic and ends with a *poco rallent.* marking.
- System 2:** Features a piano (*pp*) dynamic, followed by a **Tempo I.** marking, and then a forte (*f*) dynamic.
- System 3:** Continues with a fortissimo (*ff*) dynamic and a *poco rallent.* marking.
- System 4:** Includes a piano (*pp*) dynamic, a **Tempo I.** marking, and a forte (*f*) dynamic. It also contains a section marked with a Roman numeral **III**.
- System 5:** Features a *con forza* marking, indicating a strong, forceful playing style.
- System 6:** Starts with a piano (*pp*) dynamic and a *sempre* marking. It concludes with a *ppp* (pianississimo) dynamic, a *legatissimo* marking, and the instruction *una corda* (one string).

poco ritard. **Tempo I.** *poco rallent.*

a) Two-part song-form with coda. In this smallest of forms Chopin has created one of his most graceful compositions. The nocturne is an entrancing love-poem, overflowing with fervor and tenderness and yet free from either bombast or sentiment. Hardly one of Chopin's other compositions has enjoyed such a success with the public. It has become essentially a domain of the younger feminine world, and they do well in selecting it for making their debut in the sphere of the finest parlor-music and free delivery; only, let them beware of distorting it by immoderate rubatos and hyper-sentimentality. The feelings which underlie the contents of this nocturne are too true and natural to require rouge.

b) The bass deserves particular attention and separate study, as the veteran master FRIEDRICH WIECK has already

and most rightly advised in his little work on Piano and Song (Whistling's edition, Leipzig, p. 72.) In the figure

and all subsequent ones, the lowest tone is always to be formed by pressure (not stroke), and the finger which plays it must already be so placed over the key that it can not miss it, before causing it to sound. This, it may be observed in passing, is the best means of finally learning to execute leaps with security. The lowest bass-tone, which is to a certain extent isolated, is followed by 2 chords that form as it were a word of two syllables, of which the first is accented and the second unaccented. Execution *legato*. The last chord somewhat shortened on account of the following leap, if for no other reason.

c.d) With great elegance and lightness.

e) The trills neat and amply endowed, i. e., not too few trill-tones. This, moreover, holds good of all trills in the nocturne. They must all be like charming coquettish smiles.

Tempo I.

f p *cresc.*

 i) Bass slowly rising.

a) NOCTURNE.

C. S.

Th. Kullak.

Fr. Chopin, Op. 9. N° 3.

A
Allegretto $\text{♩} = 68$.

a) The nocturne consists of a chief subject (C.S.) and a secondary subject (S.S.); the latter is followed by the first part of the chief subject and a coda. In the chief subject itself, three special parts may be distinguished, A B C, which in a certain sense form its strophes (see Remark to Op. 9, 1). These strophes are indeed different, but not essentially unlike, in point of contents, and they constantly alternate with each other. A must be elegant, waggish, coquettish and very graceful in delivery, but kept strictly in time; B is more passionate in treatment; C must be executed with great feror *sostenuto* at first, but then, from the *sfz* on, with climaxing passion. At the pause, take breathing time. The secondary subject (in minor) is the specific antithesis of the chief subject. It is expressive of resolution, and gloomy rancour. The meter is $\text{♩} = 68$, with the half-notes about as fast as the ♩ in the chief subject. It is march-like in treatment and must be played strictly in time. Its modulatory changes and frequent nuances in *f*, *p*, etc., are very interesting. The nocturne ends *Adagio*, dying away to *ppp*.

b) All new editions of Chopin have in the base: $\text{♩} = 68$ and in the subsequently appearing treble-figures *c* (see c.d).

I have, however, retained the text of the original edition (Leipzig, Kistner). It is correct in harmony, and moreover, is fresher and better-sounding than all variations.

The musical score is written for piano and consists of six systems of staves. The key signature is three sharps (F#, C#, G#) and the time signature is 3/4. The notation includes various musical symbols such as notes, rests, slurs, and dynamic markings.

- System 1:** Labeled with a large 'A' at the beginning. It features a complex melodic line in the right hand with many slurs and ties, and a more rhythmic bass line.
- System 2:** The right hand has a section marked *dolcis.* (dolce) with a dense, flowing melodic texture. The bass line continues with a steady eighth-note pattern.
- System 3:** The right hand has a section marked *scherzando*. It features a more playful, rhythmic melody. The system ends with a section labeled 'B'.
- System 4:** The right hand has a section marked *a tempo* and *poco rit.* (poco ritardando). The melody becomes more spacious. The system ends with a section labeled 'C'.
- System 5:** The right hand has a section marked *sostenuto*. The melody is slower and more sustained. The system ends with a section marked *f* (forte).
- System 6:** The right hand has a section marked *stretto a cresc.* (stretto a crescendo). The melody becomes more compressed and builds in intensity. The system ends with a section marked *p* (piano).

SS.
Agitato. (M.M. $\text{♩} = 188$)

The musical score consists of six systems, each with a treble and bass staff. The key signature is two sharps (F# and C#), and the time signature is 4/4. The tempo is marked 'Agitato' with a metronome marking of quarter note = 188. The score includes various dynamics: *f* (forte), *p* (piano), *pp* (pianissimo), *cresc.* (crescendo), *dimin.* (diminuendo), and *ritenuto*. There are also articulation marks like accents and slurs, and fingerings are indicated by numbers 1-5. The notation includes eighth and sixteenth notes, chords, and rests. The piece concludes with a final chord in the right hand and a sustained bass line.

f *cresc.* *ff* *dimin.*

p *f* *smorz.*

pp *rallent.* *ff* *ten.* *p* *poco rallent.* *schers.*

Tempo I. **C.S. A a tempo**

The musical score consists of six systems of staves. The first system shows a complex melodic line in the right hand with many beamed notes and a steady bass line. The second system continues this texture, with a section labeled 'B' appearing in the right hand. The third system features a 'Coda' section, marked with a double bar line and a star. The fourth system includes dynamic markings: *f* (forte), *con forza* (with force), and *rilevato* (lifted). The fifth system is marked *senza tempo e legatissimo* (without tempo and most legato) and ends with a *dim.* (diminuendo) marking. The sixth system begins with *Adagio* and includes *rallent.* (ritardando), *pp* (pianissimo), *legatiss. smorz.* (most legato, decrescendo), and *ppp* (pianissimissimo) markings.

b) *sempre legato*

poco cresc. e ritenuto *dolciss.* *delicatis.*

d)

dolciss. *ritenuto*

- a) The nocturne consists of a chief subject **A**, and a secondary subject **B**, after which the chief subject (except in the closing measures) is repeated. **A** and **B** form a magnificent contrast: **A** is so full of sunshine and delight, so still and dreamy; **B** so dark and stormy - "like the dream of the hunter on the hill of heath. He sleeps in the mild beams of the sun; he awakes amidst a storm; the red lightning flies around; trees shake their heads to the wind! He looks back with joy on the day of the sun; and the pleasant dreams of his rest! (Ossian, The war of Inis-Thona).

- b) The upper voice of the base accompanies the melody (the right hand) like its shadow, and is to be played more softly but equally *legato*. Be careful not to play  as if  stood in its place. It happens often enough.

- c.d) As if breathed out. This holds good of all other embellishments of this subject. They are all to be executed with limber fingers and taken only moderately fast.

S.S.
B Con fuoco. $\text{♩} = 84$.

The musical score consists of six systems of staves. The first system begins with a treble clef, a key signature of two flats (B-flat major), and a 3/4 time signature. The tempo is marked 'Con fuoco' and the pulse is '♩ = 84'. The first system includes a forte 'f' dynamic. The second system features a 'cresc.' marking. The third system includes a 'dim.' marking and a 'pp e poco riten.' marking. The fourth system includes a 'più riten.' marking and an 'a tempo' marking. The fifth system includes a 'f' marking and a 'cresc.' marking. The sixth system concludes the piece with a double bar line.

e) Play the sixteenth note figures as sextuplets.

f) A slight stop to prepare for a fresh attack.

A II

- a) The nocturne consists of a chief subject **A** and a secondary subject **B**, followed by a varied repetition of **A** with a coda. The chief subject itself is separable into a first part, I, and the fragment of a second, II, which comes to no real conclusion, but instead serves through its modulatory character as transition to the secondary subject. Despite the impress of deepest fervor and tenderness which the chief subject bears, there still prevails in it a noble, grateful repose, which must be brought out in the delivery. The base, for example, must be smoothly played and kept nearly everywhere in strict time. Not before the end of **A**, in the transition to **B**, is expression to be given to greater passionateness. **B** forms a complete contrast to **A**. The *tempo* is twice as fast. The contents of the new subject are based upon one single odd figure (Quintuplet), which, by means of continual transpositions together with strange and often glaring modulations, plays through all possible colors, and neither rests nor reposes until it has completely exhausted itself and expended its vitality. **B** is, in its way, a *perpetuum mobile*. When the subject ends, the listener breathes again as if freed from a spook, and the return of **A** touches one precisely like a benediction.

a) NOCTURNE.

Th. Kullak.

Fr. Chopin, Op. 15. N° 3.

A Lento. $\text{♩} = 60$.

- a) Concerning a comparison of the nocturnes of Field and Chopin, says Karasowski: "Field was content to write tenderly poetic pieces generally of a melancholy tone; Chopin, however, not merely brought the dramatic element into this form, but in his nocturnes he also marvellously enriched both the harmony and the instrumental effects, with nothing short of the actual touch of genius." The present nocturne most strikingly confirms the above verdict. Less significant in point either of its apparatus of pianoforte execution, or of fantastic coloring, than the foregoing one (see Remark to the same) it is perhaps all the more fascinating precisely on account of the unostentatious simplicity with which—with but few strokes, one might say—complete expression is given to highly poetic contents.

The piece consists of a chief subject **A** and a secondary subject **B**. In the chief subject, while the base accompanies in the simplest way, the Cantilena is like the passionate, eccentric lament of a deeply wounded heart, full of grief and longing. Again and again one seems to hear the sobs and outcries of deepest despair; again and again to distinguish in the tones the call after a beloved one now forever lost. Anon it sounds like strife and resentment against cruel, un pitying fate. Lovely pictures of a sweet past also arise before the memory, and now complaint is momentarily stilled, but only to regain (at the end of the chief subject) the upperhand with increased vehemence. All of this is represented with amazing psychological fidelity and truth, and by means of the most marvellous shadings of modulation. Where such boundless pains martyr the soul, earth can at the moment no longer yield consolation. Only religion, prayer, the thought of heaven can bestow it. The chief subject ends with bell-tones.

A religious choral-song of Catholic ecclesiastical coloring, forms the contents of **B**. Our fancy will not err if it sees the approach, amid odors of incense and soft organ-tones, of a faithful pious throng. A sublime cantus firmus is heard, intermingled with and supplemented by, responsive choral phrases. With song and sounds growing ever fainter the pious throng disappears. The heart-rending lament (**A**) is long since silenced.

Unlike other nocturnes, the chief subject is not repeated here. No bond unites chief and secondary subjects, save only that which binds together heaven and earth, and yet the wonderful poetry of this composition is without a gap.

Larghetto. $\text{♩} = 42.$

A

pp

legato

sotto voce

a) The nocturne consists of a chief subject A, a secondary subject B, and the repetition of A with a coda. The chief subject is gloomy in coloring; it is like the melancholy lament of one who is done with life. In the secondary subject, silent resignation gives way to bitterness and resentment, which, after climaxing in the first two strophes (B I II) in the third (III) veers to extremes: to covetous desires, to passionate longing for the pleasures of the world. To greatest ecstasy succeeds, weak and exhausted, the repetition of the chief subject. The wondrously beautiful coda with its ecclesiastical coloring is beneficent and conciliatory in effect, just as elsewhere, in Nocturne Op. 15 N^o 3 for example, the composer causes the outpourings of highest passion to be followed by motives of a religious character. Interesting, moreover, is the similarity of the present work with Meyerbeer's song "le moine" in point of psychological development. The monk, encoffined in his cell, is carried away by wildly excited fancy - in a more grotesque way, to be sure - to the point of barchical paroxysm, until finally in prayer to the Madonna he finds his last consolation.

b, c, d) Chopin is partial to making use of broken chords in dispersed position; he has even written special études for cultivating such passages, (Op. 10 N^{os} I, XI, etc.) which demand considerable capacity for stretching. In order to do justice to the notation, it is occasionally necessary; 1. to deviate from the rules concerning the normal position of the hand; 2. to make use of extremely complicated fingerings; and, finally, 3. in cases where the required *legato* - execution is utterly impossible, to call in the aid of the pedal, or even of the other hand.

complicated fingering.

a) NOCTURNE.

Th. Kullak.
Fr. Chopin, Op. 27. N° 2.

1. Lento sostenuto. $\text{♩} = 50$.

a) The present nocturne divides best into strophes, for it does not develop into groups of parallel subjects, in the strict sense. Even the base moves from beginning to end in homogeneous figures. I have assumed eight strophes, which produce variety of shading, without offering essentially new contents. The chief strophes are the Ist, II^d, and the VIIIth.

Strophe III is the transposed repetition of the II^d.

Strophe VI the repetition of the Ist.

IV the repetition of the Ist.

VII " " " " II^d.

V the transposed repetition of the II^d.

VIII " real Coda of the composition.

The repetitions appear with continually increasing richness of outfit, in point of both modulation and figuration, so that Karasowski rightly says: "the lovely nocturne contains an almost lavish abundance of the finest embellishments". Indeed, its execution demands great technical proficiency ennobled by the most cultivated taste.

Fr. Chopin, Op. 32. N° 1.

Andante sostenuto.

A

stretto *poco riten.* **B a tempo**

f *p* *delicatis.*

C

pp delicatis.

The nocturne expresses feelings such as awaken in quiet hours of solitude far from the noisy world when one is absorbed in thought and reverie and dear familiar images arise in memory. In respect to its poetic contents the nocturne reminds one of Op. 37 N° 2. Like that, it has no secondary subject proper, but divides best into strophes which alternate with each other and appear at every repetition continually more richly arrayed in point both of modulations and of figurations. The tender lyric mood continues to the coda. This latter is strangely and surprisingly dramatic in effect. It is as if something coming from without (perhaps repeated strokes of the clock, or a rapping at the door) suddenly made an end of all reveries.

A.B forms the first strophe, which after a short interlude B-C, returns at C. At D a new one strophe appears, which is repeated at E. At F the coda begins.

In correspondence with the prevailing mood of the nocturne, the delivery must be tenderly dreamy, and tranquil throughout. The more passionate outpourings must be rendered with moderation so as to avoid glaring contrasts. The coda is to be executed dramatically (recitativo).

The musical score consists of six systems of staves. The first system shows the beginning of the piece with a treble and bass staff. The second system includes a *pp* marking. The third system features *stretto* and *riten.* markings, along with *f* and *p* dynamics. The fourth system includes a *ritornello* marking and a *Coda* section. The fifth system includes a *recitativo* marking and *f* and *p* dynamics. The sixth system includes an *Adagio.* marking and *f* dynamics. The notation includes various musical symbols such as notes, rests, and dynamic markings.

G. I prefer the older text of Fontana, which in the first and last measures of this line has *d. sharp*.

NOCTURNE.

Th. Kullak.
Fr. Chopin, Op. 32, N° 2.

A Lento. **B** C. S.

sempre p e legato

After a short prelude A, at B begins the nocturne proper, which consists of a chief subject B-C, and a secondary subject C-E. The latter is followed by the repetition of the chief subject.

The chief subject B-C (two-part song-form) reminds one in point of mood and coloring, of the preceding nocturne (Op. 32, N° 1). The secondary subject C-E is more animated in style, and, at its transposition from *F minor* to *F sharp minor* at D it assumes so passionate a character that even the chief subject, when it reappears at E, continues for a while in a state of stormy excitement (*appassionato*) and only by degrees recovers its dreamy repose. The same prelude which introduces the nocturne also forms the coda proper.

E Appassionato.

This page contains six systems of musical notation for a piano piece. Each system consists of a treble staff and a bass staff. The key signature is three flats (B-flat, E-flat, A-flat). The notation includes various musical elements such as notes, rests, and fingerings.

- System 1:** The first system begins with a treble staff containing a long note and a bass staff with a continuous eighth-note pattern. A dynamic marking *(p)* is present in the bass staff.
- System 2:** The second system features a treble staff with a melodic line and a bass staff with a steady eighth-note accompaniment. The dynamic marking *delicatissimo.* is written above the treble staff.
- System 3:** The third system continues the melodic and accompanimental patterns. The treble staff has a more active melodic line with some grace notes.
- System 4:** The fourth system shows a continuation of the musical themes. The treble staff has a melodic line with some grace notes, and the bass staff maintains the eighth-note accompaniment.
- System 5:** The fifth system introduces a new dynamic marking *leggierissimo.* in the bass staff. The treble staff has a melodic line with some grace notes, and the bass staff maintains the eighth-note accompaniment.
- System 6:** The sixth system concludes the piece. It begins with a treble staff containing a melodic line and a bass staff with a steady eighth-note accompaniment. The dynamic marking *F Lento.* is written above the treble staff. The system ends with a final chord in the bass staff.

NOCTURNE.

A. C. S.
Andante sostenuto.

Th. Kullak.
Fr. Chopin, Op. 37. N^o 1.

The nocturne consists of a chief subject A-B, and a secondary subject B-C. The latter is followed by the repetition of the chief subject, together with a coda. The composition vividly reminds one of Op. 15 N^o 3 (see Remark to the same). Here, too, the chief-subject is the expression of deep melancholy; though, to be sure, in comparison with the immediate passionateness of the former nocturne (Op. 15) the present one discloses a touch of still resignation. In both nocturnes then follows a secondary subject of a religious character, which moves along full of nobility and dignity, and bestows comfort and tranquility. Op. 15 closes with its secondary subject. In the present nocturne, on the other hand, the chief subject is repeated. This is indeed justifiable in point of form, but at the same time it weakens the poetic contents of the work; for the secondary subject, with its beautiful intimation, that for deep suffering of soul religion is the best and highest consolation, is lowered to a merely passing moment.

This page contains six systems of musical notation, each consisting of a treble and bass staff. The music is written in a key with two flats (B-flat and E-flat) and a 3/4 time signature. The notation includes various note values, rests, and dynamic markings such as *p* (piano) and *cresc.* (crescendo). There are also some performance instructions like *arco.* and *arco.* written above the staves. The piece concludes with a section marked 'B' and a final *p* marking.

NOCTURNE.

Th. Kullak.

Fr. Chopin. Op. 37. N^o 2.

A C.S.
Andantino.
(M.M. ♩ = 120.)

dolce

legato

The nocturne consists of a chief subject and a secondary subject which repeat in alternation. The chief subject is altogether figurative in style. The thematic kernel is formed of the first four-measure section, in which a little motive (a), after repeating, is combined with a second (b) so as to form a passage which concludes at (c). a and b are related to each other (of course quite in miniature) like first and responsive sections (Vordersatz and Nachsatz). In place of a and b, other motives indeed appear here and there in the course of the chief subject, but they are always exactly like them in rhythm and form or else similar to them (see d.e.), so that their derivation is always to be traced back to a and b again.

As, furthermore, richest changes of modulation appear in the repetitions, the chief subject may be compared to a texture which, by reason of its costly stuff, its graceful design, and its rich yet harmonious splendor of color, enrapture the spectator.

In contrast to the figurative, mobile character of the chief subject, the secondary subject B-C presents a Cantilena in which everything breathes repose, peace, and deepest fervor of feeling. It is, as Karasowski says, "perhaps the most beautiful melody that Chopin invented." At G the chief subject is repeated, first with an organ-point (on the dominant); from D to E, the secondary subject; this subject after richest changes of modulation, is relieved at E by a fragment of the chief subject. The contents of the coda F are taken from the secondary subject.

In discussing the present nocturne and the preceding one (Op. 37 N^o 1), says Robert Schumann: "The two nocturnes differ from his earlier ones chiefly through greater simplicity of decoration and more quiet grace. We know Chopin's fondness in general for spangles, gold-trinkets and pearls. He has already changed and grown older; decoration he still loves, but it is of a more judicious kind, behind which the nobility of the poetry shimmers through with all the more loveliness: indeed, taste, the finest, must be granted him." (R. Schumann: Gesammelte Schriften II 226).

The musical score consists of six systems of staves. Each system contains a treble and a bass staff. The notation is complex, featuring many chords and arpeggios. Fingerings are indicated by numbers 1 through 5. Pedal markings (ped.) are used in several measures, particularly in the first four systems. A 'sostenuto' marking is placed above the fifth system. A dynamic marking 'p' (piano) is found in the fourth system. The key signature has one sharp (F#).

+) It will be found a great facilitation, especially for smaller hands, to take the third eighth g in this and the following measures with the left hand; only, the pedal must be used as marked, because otherwise the sound of the lowest base-note would be too short.

This page contains six systems of musical notation for a piano piece. The notation is written for both the right and left hands, using treble and bass clefs. The key signature is one sharp (F#). The piece includes various musical elements such as notes, rests, and dynamic markings. The first system begins with a treble clef and a key signature of one sharp. The second system includes a 'cresc.' marking. The third system includes a 'f' marking and a 'p' marking. The fourth system includes a 'p' marking. The fifth system includes a 'p' marking. The sixth system includes a 'pp' marking and a 'Coda' marking. The piece concludes with a double bar line and a repeat sign.

Th. Kullak.
Fr. Chopin, Op. 48. N° 1.

A C.S.
Lento.

- a) The design and poetic contents of this nocturne make it the most important one that Chopin created; in Karasow - ski's opinion it even oversteps the bounds of the nocturne-style. The chief subject (A-B) is a masterly expression of a great, powerful grief, for instance at a grave misfortune by which the dear, beloved native land is visited. Upon such an occasion and in such a mood it is but a step to self-sacrificing deeds. The secondary subject makes upon me an impression as if heroic men had banded themselves together and solemnly went forth to the holy war to conquer or die for their native land. In correspondence with the character of a grand heroic march, the harmonic masses finally tower aloft in imposing splendor and majesty. At C the chief subject is repeated, but richly varied, enhanced in passionateness and feverishly agitated. (*Doppio movimento and agitato*).

The musical score consists of six systems of staves. The first system shows a piano introduction with a 'cresc.' marking. The second system is marked 'B (SS) Poco più lento.' and includes 'sotto voce' and 'sempre p' markings. The third system features a 'pp' marking. The fourth system is marked 'b)' and contains several 'cresc.' and 'ten.' markings. The fifth system continues with 'cresc.' and 'ten.' markings. The sixth system concludes with a 'rilev.' marking. The score is written in a key with one flat and a 3/4 time signature.

b) The triplet-passages introduced here and in the following measures are to be executed *legato*, and strictly in time so that the march-like character of the subject shall nowhere be impaired.

The musical score consists of six systems of staves. The first system has a treble and bass staff with a 6/8 time signature. The second system includes the marking *sempre ff*. The third system includes the marking *riten.* and *accel.*. The fourth system includes the marking *pp agitato* and the tempo marking *C doppio movimento*. The fifth and sixth systems continue the piece with various musical notations and dynamics.

c) It is not best to hold too literally to the designation "doppio movimento," for then it would remain only to choose between inartistic precipitation in the chief subject, or a no less critical dragging of the secondary subject. I propose: M. M. ♩ = 96.

This page of musical notation consists of six systems of staves, each with a treble and bass clef. The music is written in a key with two flats (B-flat and E-flat) and a 3/4 time signature. The notation is highly detailed, featuring numerous beamed sixteenth and thirty-second notes, as well as complex chordal structures. Fingerings are indicated by numbers 1-5 above or below notes. Dynamic markings include *f* (forte), *ff* (fortissimo), *tr.* (trill), *rit.* (ritardando), *dim.* (diminuendo), *rall.* (rallentando), and *pp* (pianissimo). The piece concludes with a Coda section. The page number 50 is located at the bottom left, and the publisher's information, N. Y. 36 (12), is at the bottom center.

a) NOCTURNE.

Th. Rellak.

Fr. Chopin, Op. 48. No 2.

Andante. (M.M. $\text{♩} = 92$) A (C.S.)

a) After two introductory measures, at A the chief subject begins. It is in a soft elegaic mood (like Op. 37 1). Its kernel is formed of the two sections b and c, which continually appear up to the entrance of the secondary subject, being repeatedly transposed and enriched with all manner of embellishments. At B a complete part-close occurs. This is followed by the repetition of the entire chief subject, non-essential alterations excepted. C-D forms the secondary subject. In contrast to the pliant, vacillating nature of the chief subject; the short, concentrated phrases of the new subject, the change of key (major mode instead of minor) and of metre ($\frac{3}{4}$ instead of C) all indicate a change of mood. In place of weeping and lamentation appears the resolve to endure courageously and nobly, and manfully to bear. The secondary subject, to be sure, is not ecclesiastical in coloring (as in Op. 15 No 3, or Op. 37 No 1) but it is full of nobility. - At D, the chief subject is repeated with all manner of variants and a very graceful coda in major.

cresc. rit. riten.

a tempo cresc. stretto m.f.

D Tempo I. p

Musical score for piano, consisting of six systems of staves. The notation includes treble and bass clefs, key signatures, and various musical symbols such as notes, rests, and dynamic markings. Fingerings and articulations are indicated throughout the score.

Dynamic markings and performance instructions include:

- pp* (pianissimo) at the end of the second system.
- cresc.* (crescendo) at the beginning of the fourth system.
- coda* at the beginning of the fifth system.
- sempre p* (sempre piano) at the beginning of the fifth system.
- smorz.* (smorzando) at the beginning of the sixth system.

a) NOCTURNE.

Th. Kallak.

Fr Chopin, Op. 55. N° 1.

A (C.S.)

Andante. (M. M. ♩ = 86)

The image displays a musical score for the piece 'Andante (M.M. 90)' by Franz Liszt. The score is written for piano (p) and celesta (cl). The tempo is marked 'Andante' with a metronome marking of 90 beats per minute. The key signature is B-flat major (two flats). The score is divided into four systems, each with a piano part on the left and a celesta part on the right. The piano part features a melodic line with various ornaments and a bass line with chords. The celesta part provides a harmonic accompaniment with chords and arpeggios. The score includes various musical notations such as notes, rests, and ornaments. The tempo changes from 'Andante' to 'rilen.' (rallentando) and then to 'a tempo'.

a) The chief subject A-B is bipartite and betrays a gloomy, melancholy mood. We may be permitted to represent to ourselves in fancy a wanderer, who goes his way solitary and sad, after taking leave of his beloved home and all his dear ones. The secondary subject is also bipartite. Its first part *B is march-like in character, as if the wanderer had resolved henceforth to go on more courageously. The second part *C grows steadily more passionate and excited.

At C begins a fragment of the chief subject; but after a few measures it passes over into a closing part D, in which the base for a while retains its old motive, though accelerated in pace, and abandons it only when it no longer seems able to follow the right hand as it hurries ever more lightly and swiftly away. The last measures sound like: "Thank God - the goal is reached."

stretto *riten.* **Tempo I.** *p*

First system of musical notation, featuring a treble and bass staff. The treble staff contains a melodic line with notes and rests, while the bass staff provides harmonic support with chords and single notes. The system includes dynamic markings like *p* and tempo markings like *Tempo I.*

(Closing S.)

D *molto legato e stretto*

Second system of musical notation, featuring a treble and bass staff. The treble staff contains a melodic line with notes and rests, while the bass staff provides harmonic support with chords and single notes. The system includes dynamic markings like *molto legato e stretto*.

Third system of musical notation, featuring a treble and bass staff. The treble staff contains a melodic line with notes and rests, while the bass staff provides harmonic support with chords and single notes.

Fourth system of musical notation, featuring a treble and bass staff. The treble staff contains a melodic line with notes and rests, while the bass staff provides harmonic support with chords and single notes.

cresc. *dim. ed accel.*

Fifth system of musical notation, featuring a treble and bass staff. The treble staff contains a melodic line with notes and rests, while the bass staff provides harmonic support with chords and single notes. The system includes dynamic markings like *cresc.* and *dim. ed accel.*

a tempo

Sixth system of musical notation, featuring a treble and bass staff. The treble staff contains a melodic line with notes and rests, while the bass staff provides harmonic support with chords and single notes. The system includes dynamic markings like *a tempo*.

a) NOCTURNE.

Lento sostenuto. (M. M. ♩ = 72.)

Fr. Chopin, Op. 9, N° 2.

a) The nocturne makes the impression of an improvisation. One and the same mood breathes through the entire piece, but the ideas follow each other as in free improvisation, following the impulse of the moment only and paying no heed to strict laws of form in either articulation or arrangement.

First system of musical notation, featuring a treble and bass staff with a key signature of two flats. The melody in the treble staff includes slurs and fingerings. The bass staff has a continuous eighth-note accompaniment. Below the staff, there are rhythmic markings: ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a *.

Second system of musical notation. The treble staff continues the melody with various slurs and fingerings. The bass staff maintains the eighth-note accompaniment. Below the staff, there are rhythmic markings: ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a *.

Third system of musical notation. The treble staff features more complex melodic lines with slurs and fingerings. The bass staff continues the eighth-note accompaniment. Below the staff, there are rhythmic markings: ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a *.

Fourth system of musical notation. The treble staff includes a section marked *cresc.* (crescendo) and *ff* (fortissimo). The bass staff continues the eighth-note accompaniment. Below the staff, there are rhythmic markings: ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a *.

Fifth system of musical notation. The treble staff includes a section marked *sf* (sforzando). The bass staff continues the eighth-note accompaniment. Below the staff, there are rhythmic markings: ♩a * ♩a * ♩a * ♩a * ♩a * ♩a * ♩a *.

Sixth system of musical notation. The treble staff continues the melody. The bass staff continues the eighth-note accompaniment. Below the staff, there are rhythmic markings: ♩a * ♩a *.

a) NOCTURNE.

Th. Kullak.
Fr. Chopin, Op. 62, No 1.

Andante. (M.M. $\text{♩} = 69$.) I A (C.S.)

dolce legato

- a) The chief subject A-B separates into four divisions which may be termed its strophes, (I, II, III, IV). The fourth corresponds to the first, but at the close leads into the secondary subject B-C. This consists of but a single part which has an independent life of its own. A long trill at its close leads back into the first strophe of the chief subject. The motive (b) from the same subject is extended to a passage and leads into the closing strophe D, which takes its (figurative) contents for the most part from the fourth strophe of the chief subject. The nocturne is like a beautiful lyric poem, created in a consecrated hour free from trouble. The chief subject reminds one of Op. 32 No 1. In the secondary subject, with the change of key, a change of mood is perceptible; it becomes a shade more earnest, but also more elevated and serene. On the return of the chief subject it appears arrayed in such a profusion of chain-trills and *fioritura* that its effect, when executed with taste and elegance, is magical.

Th. Kullak.

Fr. Chopin, Op. 62, No. 2.

A (C.S.)
Lento. (M.M. ♩ = 78.)

- a) The nocturne consists of a chief subject A-B, an interlude B-C, and a secondary subject C-D. The latter is followed by the repetition of the chief subject and the interlude, which now becomes the postlude. The chief subject makes an agreeable impression by reason of the noble, though expressive simplicity of its beautiful melody. The interlude, with its passages in the base, forms a fitting transition to the secondary subject, which is more passionate and animated in character. The upper and base voices form a sort of dialogue in lively controversy. The incidental imitations are to be made prominent in delivery. The nocturne was composed shortly before Chopin's death, and is no less rich in fine points of harmony and melody, than all preceding works of the same species.

a) The nocturne belongs to the posthumous works, but was composed as early as the year 1827. "It bears throughout the stamp of that youthful epoch." (Karasowski, Chopin II 159.) For all that, a comparison of the first and last nocturnes (Op. 92, N° 2.) will be interesting to the admirers of the great composer. *Ex ungue leonem!*

Musical score for piano, consisting of six systems of staves. The notation includes treble and bass clefs, key signatures, and various musical notations such as notes, rests, and ornaments. Performance instructions and dynamics are indicated throughout the piece.

Dynamics and performance instructions include:

- poco* (first system)
- cresc.* (first system)
- aspiratamente* (third system)
- cresc.* (third system)
- a tempo* (fifth system)
- poco dim.* (fifth system)
- ril.* (fifth system)

The page number 70 is located at the bottom left, and the number N. 7280(19) is located at the bottom center.

This page contains six systems of musical notation for a piano piece. Each system consists of a treble staff and a bass staff. The music is written in a key with one sharp (F#) and a 2/4 time signature. The notation includes various musical elements such as notes, rests, and dynamic markings. The first system begins with a piano (*p*) dynamic marking. The second system includes a forte (*f*) marking. The third system features a mezzo-forte (*mf*) marking. The fourth system has a mezzo-forte (*mf*) marking. The fifth system includes a mezzo-forte (*mf*) marking. The sixth system begins with a pianissimo (*pp*) dynamic marking and includes the instruction *colando*. The notation is dense, with many notes and rests, and includes various fingerings and articulations.
